Delo 400 NG SAE 15W-40
(For CNG/LNG Engines)

The product recommendations provide general guidelines for use in buses. All manufacturers have different coolant and lubricant requirements and recommendations. It will be important to contact a Chevron representative or refer to the Original Equipment Manufacturer manual to confirm the proper product is used for the application. You may contact our LUBETEK organization (800-LUBE-TEK) for confirmation of specific OEM specifications.
